Volunteer agreement form

All volunteers working with Multi Sports Club are encouraged to work to high standards and adopt recognised best practice where possible. In addition to their own standards of practice, all volunteers should be aware of and adopt Multi Sports Club's own:

- ✓ Health and Safety policy.
- ✓ Codes of Conduct for coaches, volunteers, club members and parents/carers.
- ✓ Diversity and Inclusion policy.
- ✓ Child, Young Person and Vulnerable Adults Protection Policy and procedures.

The club will ensure that its volunteers have access to each policy and guidance note that is relevant to their work. The club will listen to and respond to matters brought to its attention in relation to the activities and will support, where possible, any training needs.
